## Press Release

08 September 2009

For immediate release

## Public Meeting for Royal Bank of Scotland Shareholders

The RBoS Shareholders Action Group invites all Royal Bank of Scotland (RBS) shareholders who have an interest in the legal action they are contemplating to a meeting in London on Saturday the 10<sup>th</sup> October 2009. Commencing at 2.0 pm, the meeting is primarily designed to enable shareholders to ask questions about what this Group has been doing and the progress of the campaign to obtain some recompense for shareholders from the losses they have suffered by events at RBS. It will particularly focus on the problems associated with the rights issue in May 2008, which many people believe contained significant errors and omissions such that investors were substantially misled.

It will enable those who have registered with this Group to meet the directors and it will primarily be a question and answer session, but there will be a presentation by Director Roger Lawson at the start. The meeting is open not only to registered members of the Group but also to all RBS shareholders who have an interest in this matter, and to members of the press.

### Meeting Details

The location of the meeting is St Columba's Church, Pont Street, London SW1X 0BD and the venue is within easy reach of three London Underground stations - Knightsbridge (Piccadilly Line), South Kensington (Piccadilly, Circle and District Lines) and Sloane Square (Circle and District Lines). The nearest off street car parking, where space is usually available, is in Cadogan Place (NCP: SW1X 9SA). The meeting will commence at 2.0 pm in the "Upper Hall" on the 10<sup>th</sup> October and is expected to last less than 2 hours.

Note if you plan to attend this meeting please send an email to [info@rbosaction.org](mailto:info@rbosaction.org), or telephone Vicky Cappin on 020-7286-4161, indicating that you intend to do so. This will enable us to get some idea of the numbers likely to attend.

**Notes for Editors:**

The RBoS Shareholders Action Group was formed in early 2009 to represent the interests of shareholders in the Royal Bank of Scotland (RBS). This group is considering legal action on behalf of shareholders in RBS, and was formed at the request of a number of RBS shareholders who have lost substantial sums of money as a result of their investment in this company.
